Swim Lessons

All of our swim lesson instructors are American Red Cross certified Water Safety Instructors or Instructor Aides.

Water Babies I & II (Ages 6 months to 3 years) Parents, this program lets participants explore and become comfortable in the water with you right by their side. Our instructor will guide you and your child through different water activities and songs that promote water safety knowledge, aquatic adjustment, and swimming readiness skills. Classes will meet for a total of eight lessons. All children three years and under or children regularly diapered must wear facility approved, reusable swim pants. Swim pants will be available at the Provena Saint Joseph Inwood Athletic Club for \$6.

Aqua Tots (Ages 3 years to 5 years) This class is designed specifically for ages 3 – 5. Your toddler will be introduced to basic swimming skills and water safety through fun water activities. All children three years and under or children regularly diapered must wear facility approved, reusable swim pants. Swim pants will be available at the Provena Saint Joseph Inwood Athletic Club for \$6.

Learn-to-Swim (Ages 5 years to 12 years) This American Red Cross instructional program covers swimming skills and water safety knowledge in a logical progression through six levels. Participants will be tested on the first day of class and placed into the appropriate level based on skill. Please be aware that it may take more than one session to advance a level.

Adult Swim Lessons (Ages 13 years and older) It is never too late to learn to swim. Whether your goal is to just be comfortable in the water or stroke improvement, our instructors will work with you to set and achieve your goal.
